Robbie's Tavern is named in honor of Rob Millisor, co-founder of Breckenridge Grand Vacations (BGV). Rob was on a humanitarian trip to earthquake-stricken Nepal with Doctors to the World when he unexpectedly passed on October 9, 2015 from a heart attack.

"Robbie's" influence on Breckenridge was profound. Business is one thing, but not everything. BGV is the largest year-round employer in Breckenridge, operating multiple resorts including this beautiful property, Grand Colorado on Peak 8, but Rob's true passion was giving back to others. With Rob's vision, the mission of BGV is to give back tirelessly through time, talent and treasure to our community.

He would have loved to join you here and genuinely get to know you. Take a look at the drink menu. Rob was from Cleveland – hence the "woof woof" in tribute to the Cleveland Browns chant – or the "Edmund Fitzgerald" in memory of his favorite song.

Robbie left behind his beautiful wife, Amy, and two young children, Claire and Grady. He also left behind millions of smile-filled memories for all who knew him. Enjoy your time at Robbie's Tavern as we all know he would have loved it here as well.
